

COMPANY OVERVIEW

DGC Industries LLC is a newly established wholesaler specializing in the sourcing and supply of high-quality medical, dental, and hospital equipment, as well as construction hardware, to government agencies. With a strong emphasis on compliance, efficiency, and quality, DGC Industries offers tailored product solutions designed to meet the diverse needs of government procurement. We are dedicated to delivering exceptional value and reliability, supported by meticulous attention to detail and rigorous quality assurance practices.

CORE COMPETENCIES

- Sourcing and supplying medical, dental, and hospital equipment and supplies.
- Providing bolts, nuts, screws, rivets, washers, and other construction hardware.
- Specialized procurement for professional and industrial equipment.
- Expertise in navigating and adhering to government procurement standards.

DIFFERENTIATORS

- Over \$581 million of contract experience as a Quality Manager on large-scale government projects, including NYC Transit Authority and Long Island Railroad contracts.
- Background as a Federal Aviation Administration (FAA) certified airplane mechanic, demonstrating a strong foundation in precision and adherence to regulatory standards.
- Proven track record of managing quality on high-value infrastructure and transportation projects, ensuring compliance and excellence.
- A commitment to unparalleled quality assurance backed by extensive industry expertise.

PAST PERFORMANCE

Although DGC Industries LLC is a new business, its founder brings a wealth of personal experience:

- Oversaw quality for a \$491M NYC Transit Authority bus radio conversion project.
- Currently managing quality for a \$90M Long Island Railroad Hall Interlocking Expansion project.
