

The background of the poster is a vibrant, cartoonish illustration of a park scene. At the top, a string of orange and yellow triangular bunting flags hangs across the frame. Below the flags, the title 'A.C.E. RECOVERY NIGHT' is prominently displayed in large, bold, dark green letters. The date and time, 'SATURDAY JULY 25TH AT 6PM', are written in a smaller, orange font. Below this, the event details 'FELLOWSHIP | SPEAKERS | FOOD' are listed in a dark green font. A paragraph of orange text describes the event as a fun night of inspiring recovery stories, fellowship, and great food, and encourages attendees to bring a side dish or dessert. The names of the speakers, Keith L. (AA) and Josh A. (NA), are listed in a dark green font. A pink text block states that a \$5 donation is appreciated but no one will be turned away. The bottom of the poster features a detailed illustration of a picnic setup on a red and white checkered blanket. This includes a wicker basket filled with bread, apples, and a red and white checkered cloth, several sandwiches on plates, a glass of orange juice with a slice of orange, a bunch of purple grapes, and a single red apple. The scene is set on a green lawn with small white flowers and stylized green bushes in the background.
