

FREE Opioid Awareness & Narcan Training

Wednesday, March 11th

6:00 pm-8:00 pm

Alano Club of Battle Creek
1125 Territorial Road West
Battle Creek, MI 49015

Join us for an impactful session!

Are you ready to make a difference? Learn how to recognize and respond to opioid overdoses, and get trained on how to use Narcan – a life-saving medication that can reverse the effects of an overdose in seconds.

What to Expect:

- **Understand the opioid crisis and its impact on our community**
- **Learn how to identify signs of an overdose**
- **Hands-on training on administering Narcan**
- **Take home a FREE Narcan kit!**

Together, we can save lives!

This training is open to everyone – friends, family members, community members, and those affected by the crisis. Let's come together to build a safer, more informed community.

Snacks and refreshments will be provided.

**Brought to you in partnership between
the Alano Club of Battle Creek and
Cope Network**
