

Instructions for webpage.

1. Website is deatonanddeatoncounselingservice.com
2. Menu tab you click on is MORE in the upper right corner, and then on the drop down menu from there you click on VIDEOS AND POSTS (you'll find this either at the top right of our home page or you will click on the menu icon at the top right or top left corner of the page. The menu icon looks like this

3. Once you click on VIDEOS AND POSTS, you will be taken to the page that includes our videos and a section entitled DOWNLOADS, which includes the questions for each video. The questions are labeled by the name of the video. For example, the question download for the video entitled NUGGETS is called QUESTIONS FOR NUGGETS. You would click on this, and the question page would either be opened in another browser tab or be downloaded to your device.
4. Copy and paste the questions into your email, answer the questions in your email, and send that email to:

markdeaton.therapy@outlook.com

5. These videos are short, so you are required each week to watch two (2) videos and answer the questions for each video then email them to me. So that would be two (2) pages of answered questions each week.
