

Flight Minibar Scene Questionnaire

1. What causes the man to turn from the window?
2. What do you notice about the background music? Does it change at all? If so, how?
3. Why does the man walk away after setting the drink down?
4. How does the man interact with the bottle? What emotions do his actions portray?
5. What relationship is shown between the man and the drink?
6. If the man had not been left alone, do you think he still would have relapsed? Why or why not?
7. Does the scene remind you of any romantic relationship you have had in the past? Describe.
