#### **GREEN MIST By: 1-800-GREEN-TURF™**

is a spray-applied non-fading, permanent grass based organic pigment UV rated, color seal technology, that can be applied anytime during the year and will not damage grass. One spray application in the spring assures a beautiful green lawn all summer without seeding, fertilizing, watering, or mowing. This product is a fast and economical way to instantly restore the natural green color to dormant or discolored turf. It blends in beautifully with most types of grasses since the color shade is controlled by the amount applied.

**SAFE FOR KIDS, PLANTS, TREES,  
PETS, AND ANIMALS.**

**100% SAFE FOR THE ENVIRONMENT  
AND 100% BIODEGRADABLE.**

**ATTENTION: Real Estate Agents, are you having an open house, but the lawn needs more curb appeal, call us today. Will cosmetically enhance the property with Greener Grass, Colored Mulch.**

**LANDSCAPERS WELCOME – DEALERS WELCOME – WHOLESALE – RETAIL**

DISCLAIMER: Lasts up to 1–2 months depending on the growth rate, mowing frequency, and weather, dries in about 60 minutes. To prevent tracking, we recommend waiting 2 hours before walking on the grass.
