## Temporary Studio Space

We are so grateful to Open Barre Fitness for allowing us to use their studio for all our dance classes! We are only here temporarily while we grow and we find our permanent studio in Walnut Creek to call home! We will be here through the Summer. Stay tuned for updates!

## No Pets in the studio!

We love your fur babies, but please do not bring them into the studio.

## NEWS

### NEW Classes

While registration is now closed for this dance season, we have a new Mommy & Me class with rolling enrollment! We also have a new Frozen Friends Mini Session that starts April 1st! This mini session is a 10 week, themed class for children ages 3 – 6 years old with two class options: Wednesdays at 4:30pm or Saturdays at 1:00pm. It's open to current and new students and will be part of the recital. See Miss Kristen if you want more information and to add this class!

### Dancer of the Month

Congratulations to River! River is a hard worker in class and always does his best dancing in class! He practices his hip hop moves outside of dance and it shows!

Please do not bring your child to dance if they are sick, have a fever or showing any signs of illness. The studio, as well as the class props are cleaned regularly. Let's keep everyone healthy! No street shoes in the studio.

PreDance class:

We have started incorporating Jazz into the second half of class. If you haven't already, please get your dancer their jazz shoes for class.

Hip Hop class:

Please be sure not to wear your street shoes in class. Dancers will need hip hop sneakers for the recital. Feel free to get them and your dancer can wear them in class.

**Kristen's Note**

There will be a lot of recital information coming in the near future! If you are new to the recital experience, please ask questions. Thank you for giving your child the gift of dance and thank you for choosing EDC!

Please let me know if you have any questions or concerns.

Follow Your Dreams,

*Miss Kristen*
