Wednesday, September 26th

I left Sicily Wednesday morning and spent the night in Rome.

Thursday, September 27th

I called TWA Thursday morning and it's a good thing I did. They didn't have a reservation for me to leave on Friday. They checked their records and found that they had made a goof somewhere along the line. They didn't have room for me on any Friday flight so they made a reservation for me to leave Rome on another airline this afternoon. They even booked me in first class at no extra cost.

You'll never guess who sat behind me in first class - Henry Fonda the movie star. The aircraft was a Constellation, a great aircraft. I could have anything I wanted to drink and was even served a whole meal. As you can see, I was really flying in style. We arrived in Madrid Spain, where I spent the night.

An invoice from Hotel Madrid. At the top is a logo and the text: '• BAR AMERICANO •', 'Hotel Madrid', 'CARRETAS, 10 - MADRID - TELEFONO 21 65 20 (5 LINEAS)'. The number 'Nº 6309' is in the top right. The date is 'Fecha 28.9.57' and the room number is 'Habitación n.º 109'. The guest is 'Sr. D. Zuliani'. There is a table with columns for 'Llegada el...', 'Salida el...', 'DIA', and 'DIA'. The table has rows for 'Habitación', 'Levado, planchado', 'Telegramas, conferencias', 'Suplidos', 'Total', 'Suma del día anterior', 'Total', 'Servicio 15 %', 'Timbres', 'Total general', 'A deducir', and 'Suma a pagar'. The total amount is '110' and the sum to pay is '144.50'. There are signatures at the bottom.
