Muldoon Students Prepare For 'Snowflake Silhouette'

There may be no snow on the ground, but Muldoon high school students and escorts will dance amid snowflakes at their annual Christmas ball.

Snowflakes, evergreen trees, and red streamers are all part of the decor planned for the "Snowflake Silhouette" dance. The school gym will be the setting from 9 o'clock to midnight Thursday. Perry Long's orchestra will play.

Make Decorations

Ellen Carlson, and Judy Crowell.

I can't wait for you to see
Mike. There's nothing he likes
better than to be held by a
pretty girl. He's a big flirt
like his daddy!

Please write soon,

Love,

Renie

P.S. Thank you again !!

Dear Bubbles,

Thank you so very much
for the lovely Hankies!

Well, do you feel terribly sad
now that you're leaving St.
James? I remember how
I cried at the breakfast the

7th graders gave us!! Hedy,
please write real, real soon

& tell me everything & any-
thing. Golly, how I wish

I was home now to see
you graduate. Your pre-

sent will be a little late cause
I have a hard time getting into

town. It won't be much but
I hope you like it a lot.

How do you like Jerry's
car?
