

Major's Survival Bootcamp 2022
North Georgia

Below are two lists that include both high tech and more primitive tools to include on your list and in your packing.

If you bring a firearm, please keep in vehicle until we instruct you to retrieve it. A Instructor will inspect your items before use. You must bring your own ammo. We do not supply it. 50 rounds Min. FMJ range ammo.

Here is a recommended survival gear list for a short-length wilderness survival situation. Most if not all of these items can be found at your local Walmart in the Camping Dept.

Back Pack!!! All participants need one with gear from list.

- Several fire starting methods: lighter, matches, flint and steel with a magnesium strip.
- Large, dry tinder bundle in a sealed bag.
- Handheld flashlight or headlamp with extra batteries
- Fixed-blade knife (or two) One Short for Pocket - 1 longer with serrated edge for sawing.
- Base-plate or lensatic compass
- Map of location (if you know it ahead of time)
- Emergency whistle
- Poly-cord rope (50-100 feet)
- Variety of sizes of Ziploc bags (for keeping tinder dry, storing food, collecting water, and more)
- First Aid Kit - small pack
