

Commercial Renovations & Office Buildouts

At RP Restoration, we build or remodel commercial spaces to help you maximize your income property's full potential — aligning every detail with your brand and creating elevated, functional environments for both tenants and clients.

- Full interior renovations for offices and retail spaces
- Modern office layouts and interiors
- Executive suites and reception areas
- Collaborative workspaces + flexible layouts
- Custom space planning and finish upgrades
- Energy-efficient and ADA-compliant improvements
- Soundproofing and lighting enhancements
- Quick-turn commercial refresh projects

Medical & Wellness Spaces

We specialize in building and renovating healthcare and wellness environments that blend calm, compliance, and elevated design. Whether it's a private practice, therapy center, or integrative wellness clinic, our goal is to create spaces that support healing, professionalism, and comfort.

- Doctor and dental office buildouts + remodels
- Mental health and counseling centers
- Physical therapy and chiropractic clinics
- Holistic wellness centers + treatment rooms
- Acupuncture, massage, and integrative therapy spaces
- Spa-inspired reception areas and private offices
- Soundproofing for confidential sessions
- Specialized lighting + hygienic surface finishes
- HIPAA compliance and ADA accessibility upgrades
