

TRAVEL TO HOPE UPDATE

Offering hope to cancer patients by helping them afford to travel for care

June is Cancer Survivors Month, and we have so much to celebrate — all thanks to your incredible generosity!

This past week, we recognized several milestones: we helped our **500th patient**, funded our **4,600th trip to treatment** and enabled our **100th patient to complete treatment**.

**We Are
Survivors,
Thanks to
YOU!**

TRAVEL TO HOPE

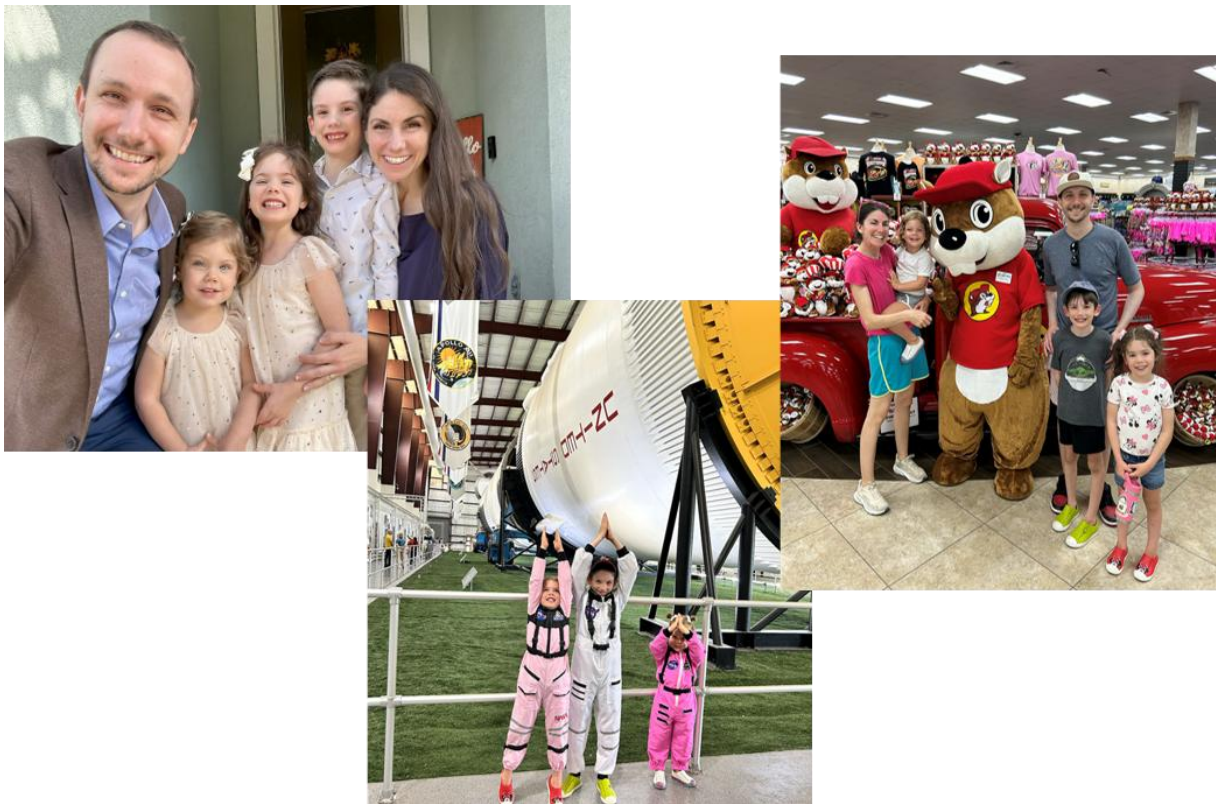

Your generous support truly changes lives.

From Sean, a Survivor from FL:

“I am thrilled to report that I got a good PET scan this past week at MD Anderson!! It was my one-year mark from my bone marrow transplant.

My three children have been requesting a return visit to Houston. They loved being in Houston while I was getting my transplant and wanted to return to do some of the fun things that they were unable to do last time due to my immune system. Since I got a clear scan, we stayed longer and went to NASA with my family. Here are a few pictures I thought you might like.

We are so very grateful for the help Travel to Hope has given us. We couldn't have done this without you!"

From CJ, a Survivor from VA:

"Ashley and I got married yesterday. We're extremely grateful for all you have done for us. Praising God and thanking you today!"

A Special Opportunity to Help More Survivors

Requests for support from Travel to Hope have **more than doubled this year.**

We just received the great news that, in honor of a loved one who continues to survive cancer, a generous donor has given us a **matching gift opportunity.**

From now until the end of June, this generous donor will match all donations made, up to \$5,000.

If you have not donated recently, please consider [donating now](#) so that we can take full advantage of this wonderful opportunity to help more patients like Sean and CJ afford to travel to treatment so that they not only survive this disease but can return to living their lives to the fullest.

Your donation could also serve as a wonderful way to celebrate a special cancer survivor in your life. We would be honored to send a note to your loved one letting them know of your generous tribute gift and the impact it will have on the patients that we support.

On behalf of Sean, CJ and all the 501 patients and families that your generosity has helped, **thank you** for the hope you give.
