

### PRODUCT HIGHLIGHT:

#### HYDRAULIC HOSE, FITTINGS & ACCESSORIES

*Hydraulic hose assemblies made in moments, while you wait! 1/4" to 2" ID up to 6000 PSI*

Hydraulic suction and pressure hose; crimp-on fittings and SAE / International adapters for wire braid and spiral hose

DOT approved high temp multi-fluid hydraulic and air brake hose and reusable fittings

Hose protection: nylon sleeve, plastic hose wrap, hose guards, fire sleeve

Hydraulic quick connectors - Pioneer, Agricultural, Wingnut/ Wetline, Flat Face, Poppet

Hydraulic fluid, pressure gauges, assorted fittings and o-ring kits, quick dry and so much more!

#### INDUSTRIAL HOSE, FITTINGS & ACCESSORIES

*Industrial hose assemblies made in moments, while you wait!*

Water and Air S/D  
HD material handling  
PVC and rubber layflat  
Milljacket, Fire  
Petroleum suction/discharge  
Septic hose  
Tank truck drop hose  
Pressure washer hose & pre-made assemblies  
Propane hose  
Jackhammer hose  
Milk hose and FDA approved sanitary hose/fittings  
Ag Spray hose

Camlocks in aluminum, brass, poly, stainless

Adapters in poly, black iron, brass, plated steel, stainless

Nozzles: fuel, diesel, DEF, water, pressure washer  
Clamps, strainers, adapters and so much more!

## AUTOMOTIVE HOSE, FITTINGS, ACCESSORIES

Radiator, molded coolant  
Silicone & turbo charge  
Fuel vapor and fuel injection  
Filler neck  
DOT nylon air brake tubing  
Rubber brake hose  
Air brake hose assemblies

DOT brass air brake fittings; push to connect, compression  
Serpentine belts, tensioners, kits  
Automotive chemicals, nozzles and more

## POWER TRANSMISSION

Largest selection  
of stocked V-  
belts in NY!  
Classical  
A, B, C, 3V,  
5V and metric  
solid, cogged  
V-belts in  
single and  
multi-V

Heavy duty Kevlar V belts for lawn applications  
Neoprene and PU timing/synchronous belts in  
metric and classical pitches  
G-Force belts for snowmobiles, ATVs and other  
off-road equipment

## CONVEYOR BELTS & ACCESSORIES

LIGHTWEIGHT: Solid woven PVC, plied PVC, heavy duty PU, thin PU FDA approved,  
homogenous, modular, incline belting and rough top belting

RUBBER: Plied rubber belting, rough top and chevron belting, integral cleats

HIGHTEMP: solid woven & needled Kevlar, Nomex, polyester belting, pads & rollers

Fabricated belts with cleats, tracking guides, sidewall, and  
more; Small Miracles Performed!

Rubber skirting-SBR high abrasion up to 6" wide  
and 1" thick

Conveyor belt Lacing - Bolt plate: 140, 190

Hinge: 375, 550; Staple: 62, 125, 187; Clipper: UCM36, UX1, U2, U3, U4,  
Alligator #1, #7

On-site belt analysis and installation available
