

## Text to Schedule FAQ's

Text-To-Schedule program is when someone has submitted an interview request, and is communicated with via text to set that up. The program also handles initial communication with Personal Recruits, and the scheduling of their interview once they've submitted their information.

Text-For-Info handles those who text our advertised phone number regarding work opportunities. They receive a link in response to their expression of interest, and complete an interview request form. From there, it comes into the system used for TTS so an initial interview can be set up.

The cost for TTS varies and all questions regarding should be directed to your Division Manager or Region office.

If your office moves, fill out the Information Change form on Vectorconnect: My Office > Running your Office > Office Profile > Office Location Change Form

If you haven't moved, but want to update your Helpful Hints, directions, or landmarks- question can be directed to Susie Paine ([spaine@cutco.com](mailto:spaine@cutco.com)).

Questions regarding the Vector Impact App and name collection can be directed to Fred Glaeser ([fg@cutco.com](mailto:fg@cutco.com)).

Questions regarding the technical aspects of TTS can be directed to Fred Glaeser ([fg@cutco.com](mailto:fg@cutco.com)).

Signing up for TTS is done through your Region.

Specialized questions regarding TTS can be directed to Jake Coon ([jcoon@cutco.com](mailto:jcoon@cutco.com)).
