

# Gut Hook Hunting Knife

Item #5717

A sharp, rugged knife.

Field dress and skin with this one knife.

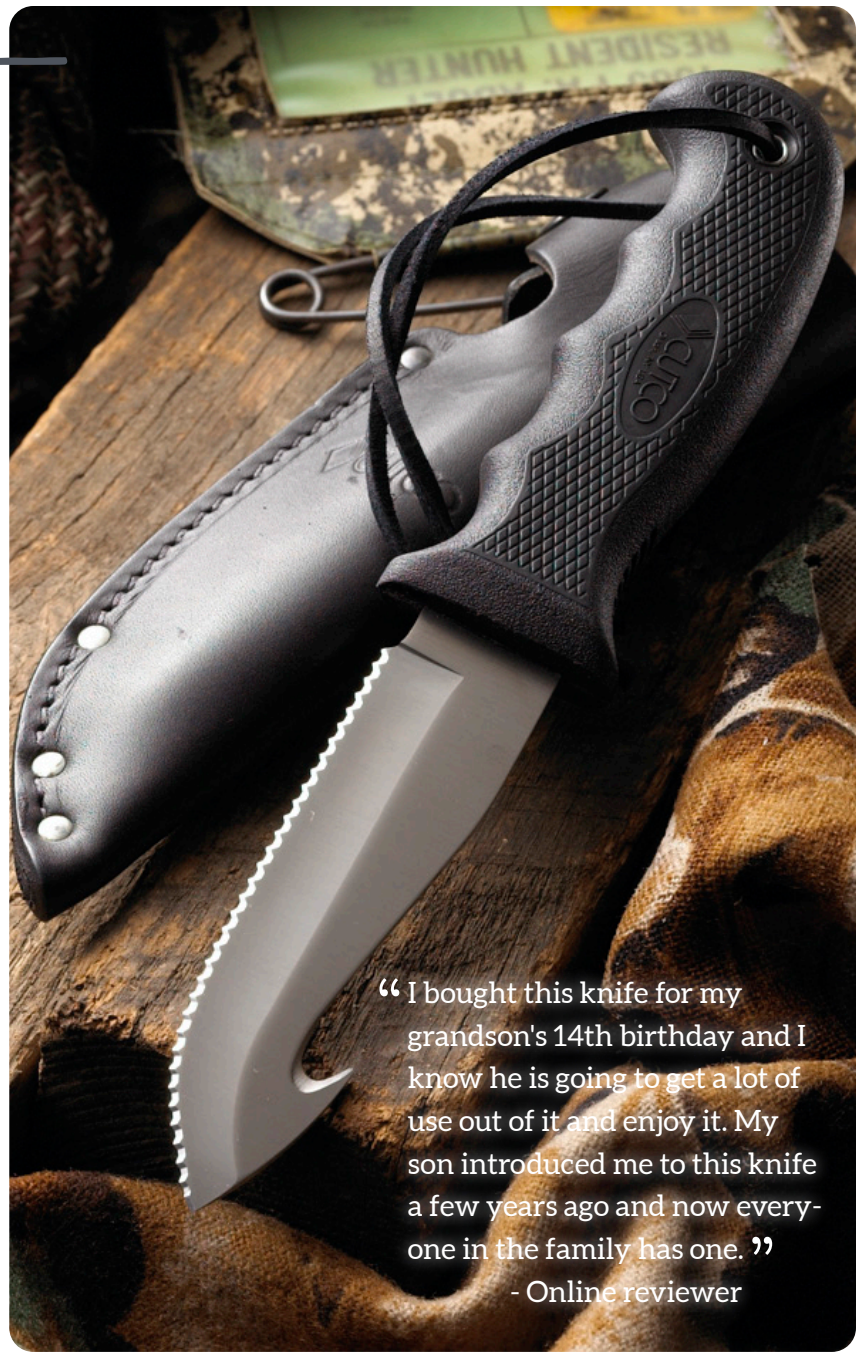

A trusted knife for a serious hunter.

## Why the Gut Hook Hunting Knife?

- Make short work of field dressing and get back in the hunt faster with the Gut Hook Hunting Knife.
- Cutco's Gut Hook Hunting Knife is a sharp, rugged knife with a classic look. Ideal for field dressing and skinning, this American-made knife comes with the option of a Double-D®- or straight-edge blade. Comes with a leather sheath and lanyard. Makes a great gift and can be engraved.
- Whether you hunt for trophies or food, a quality knife is a must. The Gut Hook Hunting Knife is the tool you'll want when it's time for field dressing. The gut hook will aid in accurate field dressing, and the soft-grip handle gives you a sure grip throughout the process. Stop fighting with a dull, useless blade and equip yourself with this knife.

## Use to:

- Field dress and skin small to big game.
- Perform general chores at camp.

“I bought this knife for my grandson's 14th birthday and I know he is going to get a lot of use out of it and enjoy it. My son introduced me to this knife a few years ago and now everyone in the family has one.”

# Design, Material & Craftsmanship

## Drop point

A slow, convex-curved drop designed for control and added strength.

## Gut Hook

Precision ground for clean, effortless field dressing. Designed to reduce the risk of puncturing organs.

## Exclusive Double-D® edge

A series of three recessed cutting edges make a smooth, clean cut with less pressure. Points protect blade to retain sharpness.

## Optional: Straight edge

30-degree angle and ultra-sharp edge for smooth cutting.

## High-carbon, stainless steel

Holds a sharp edge while maintaining its beauty. Resists rust and corrosion.

## Ergonomically designed handle

Secure fit - large or small, left or right hands. Comfortable, sure-grip handle helps reduce fatigue and provides a sure grip for safety and control.

## Full tang

Provides strength and balance with the blade extending the full length of the handle.

## Handle material

Thermoplastic elastomer reinforced with polypropylene.

Handle color available in Black or Orange.  
Blade can be engraved.  
Includes leather sheath.

## Gut Hook Hunting Knife

#5717

Blade length: 4-3/8"

Overall length: 10-1/4"

Weight: 5 oz.

## Special Manufacturing Steps

### Laser Cut

A powerful beam of light is programmed to burn through the steel, following the exact shape and dimensions of the blade making very clean, smooth edges and the blade very precise.

### Heat Treat Process

A unique three-step process of extreme heat, deep freezing and tempering that makes the blade hard yet flexible, stain resistant and able to hold a sharp edge.

### High-Speed Buffing

The edge is buffed in this extra step, taking it from sharp to razor sharp.

“ I have hunted big game for 5 decades and learned early on the need to carry multiple knives into the field to trade out as blades dulled during field dressing. About 5 years ago, my daughter gave me one of your hunting knives with the "Double D®" blade and the orange handle. I was skeptical but took it to the field since my daughter gave it to me. Was I surprised....what a fantastic knife! It never gets dull. It's great for skinning, gutting, disjointing, cutting the sternum...you name it. So far, I have dismantled 3 moose and 3 caribou with it....it is tough as nails...never needed to sharpen it. It's the only knife I use for hunting now. ”
