

Vector Live Data

Things to do in March before opening and as soon as your office is open in VectorLive.com

Input Your Interview

All Office must input their interviews into the system before any office can be turned on. TTS (Text To Schedule) can only assign recruits applying for a job to ONE SOURCE.

Classroom OR Remote

Understand Interview

All Offices once live and in your territory will run CLASSROOM Interviews so make sure C interviews are inputted for when you arrive. However, REMOTE can be designated the first week as you set up.

Training's

All offices must input their Trainings AND Advance Training's in the system before being turned on.
