U.P. Suicide Prevention Quarterly – July, 2018

Welcome! This electronic newsletter is meant to be a quarterly point of contact for those working in suicide prevention in the U.P. Please feel free to forward this and to send me information you want to have out for October, November, or December, 2018. Anyone may contact me to add or remove their email from the list (dial.help@dialhelp.org).

Between newsletters, I'll be happy to post information on the U.P. Suicide Prevention Coalition Facebook page

NorthCare, Dial Help, and Superior Health Foundation Addressing SUD UP-Wide

In 2017, Superior Health Foundation awarded funds for NorthCare Network and Dial Help's joint proposal, "Increasing Prevention & Treatment Success for SUD in the UP." This proposal seeks to enhance existing options to address SUD locally.

"As anyone in the suicide prevention field knows, suicide attempts and death by suicide are frequently tied to substance use," said Rebecca Crane, Executive Director at Dial Help. "Although this proposal is focused on SUD, in the big picture we're also hoping to impact the prevalence of suicide in the UP."

Now eight months into the grant, NorthCare and Dial Help have:

- Assembled a group of Upper Peninsula Key Leaders who meet quarterly to identify and implement messaging and other solutions targeting SUD
- Expanded Dial Help's Safety Net Program to include intensive and long-term follow-up support for individuals seeking treatment for SUD (the Walmart Foundation is also a funding partner in this expansion)
- Enhanced funding for Communities That Care prevention coalitions, which operate collaboratively under the umbrella of UP Coalition Network
- Held a safe prescription drug disposal campaign via UP Coalition Network, distributing 47,604 press releases, PSAs, and other materials encouraging safe disposal and UP-wide disposal sites (Blue Cross Blue Shield of Michigan, Blue Cross Blue Shield Michigan Foundation, and the Michigan Health Endowment Fund are also funding partners in this campaign)

Currently, the two agencies are working to implement the Tri-Ethnic Readiness Survey in each county, and are in the process of a campaign to break the stigma around mental health, suicide, and SUD. Community partners are encouraged to use the hashtag #StigmaStopsHere906 on social media when sharing information on these topics.

"Up next, we'll be increasing Guiding Good Choices options in the UP, and educating the public on Narcan and opioid prescribing guidelines," said Gery Shelafoe, Certified Prevention Consultant at NorthCare Network. "We're grateful that SHF and other funders have come forward to recognize the importance of addressing substance use in our communities—we could not do this work without them."

Community partners interested in joining the Key Leader Group, or learning more about other aspects of the proposal, may email Ginny Machiela at wmachiela@dialhlelp.org. Other resources include www.NorthCareNetwork.org, www.DialHelp.org, and www.UPprevention.org.

Danny B Suicide Awareness

The 8th annual Danny B Suicide Awareness Jack & Jill Softball Tournament will be held August 25 - 26 at Gotta Field in Montreal, WI just outside of Hurley. It is held in the memory of Danny Baross, who was a guard at the Ojibway Correctional Facility, and died in as a result of suicide in 2009. This tournament has raised over \$17.500 for suicide prevention on the Gogebic Range.

Anyone interested in entering a team can contact Bryan Solakwoski at 906-364-2587 or e-mail him at bryan_michael_john@hotmail.com
