Subject: RE: [EXTERNAL] Consultation on Planning Application 2024/0447/01/DET at North East Concrete Ltd High Street, Newburn, Newcastle Upon Tyne, NE15 8LN

Good morning Newcastle City Council,

Thank you for your email.

Regarding planning application 2024/0447/01/DET, National Grid Electricity Transmission assets are a reasonable distance away from the location of your works (see map with blue cable below). Therefore we have no objection.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with www.lsbud.co.uk. Additionally, if the location or works type changes, please raise an enquiry.

Please note this response is only in reference to National Grid Electricity Transmission assets only. National Grid Electricity Distribution (formerly WPD) and National Gas Transmission (formerly National Grid Gas) should be consulted separately where required.

Kind regards,

From: Newcastle City Council <noreply@planning.newcastle.gov.uk>
