

DSP- Direct Support Professionals

Position Title: Direct Support Professional(DSP)

Reports To: Clinical Supervisor / Program Director

Employment Type: [Full-Time/Part-Time/Contract]

Integrative Music Therapy and Support Services

About Us:

Integrative Music Therapy and Support Services is dedicated to helping individuals of all ages lead meaningful, connected lives. We provide personalized, relationship-based supports that empower children and adults to participate in their communities, develop self-care skills, engage in social experiences, and work toward their personal goals.

Position Overview:

We are seeking compassionate and reliable Direct Support Professionals (DSPs) to join our team. DSPs provide individualized support to children and adults with developmental disabilities in home and community settings. You will help clients build independence, develop life skills, and access inclusive opportunities in the community.

Responsibilities:

- Support clients in achieving personal goals and increasing independence.
 - Assist with daily living and self-care activities as needed.
 - Facilitate participation in community-based and recreational activities.
 - Encourage and model positive social interactions and communication skills.
 - Maintain accurate documentation and progress notes.
 - Work collaboratively with families, therapists, and team members.
-

Qualifications:

- A valid driver's license and reliable transportation

- Ability to pass a clear criminal background check
 - Current CPR/First Aid certification (*training can be provided if needed*)
 - A negative TB skin test
 - Compassionate, patient, and dependable
 - Experience working with individuals with disabilities is preferred, but not required—training and ongoing support are provided
-

Why Join Our Team:

- Supportive, collaborative work environment
 - Paid training and professional development opportunities
 - Flexible scheduling
 - Meaningful work that makes a difference in people's lives
-
