

WHY ATTEND?

Engaging Discussions: Participate in interactive discussions about research integration, data analysis, and community-driven initiatives.

EXPERT INSIGHTS
Hear from experienced researchers, practitioners, and community leaders sharing valuable knowledge and best practices.

NETWORKING OPPORTUNITIES
Connect with professionals from diverse backgrounds, fostering meaningful collaborations.

EMPOWER YOUR COMMUNITY
Learn how research can empower communities, drive change, and enhance services.

OPEN FORUM
Have your questions answered and contribute your ideas in a supportive and inclusive environment.

Our monthly conversation series aims to foster trust and collaboration between community- and faith-based partners and researchers. We explore topics such as research incorporation in program design, evaluation strategies, and community driven research.
