DIABETIC FOOT ORTHOTICS CUSTOM	A5513	3LT/3RT	Qty 6
DIABETIC SHOES	A5500	1LT/1RT	Qty 2

Note that in most cases the certifying physician and the prescribing physician will be two different individuals. Therefore there will be notes required from both offices.

Detailed Prescriptions are Mandatory

The M.D. or D.O. treating the patient for diabetes **must certify and document** that the individual:

1. Has diabetes **with complications**.
2. Has one or more of the following conditions in one or both feet:
 - history of partial or complete foot **amputation**
 - history of previous foot ulceration
 - history of pre-ulcerative **callus**
 - nerve damage because of diabetes with signs of problems with calluses
 - poor circulation
 - foot deformity
3. Is being treated under a comprehensive diabetes care plan and needs therapeutic shoes and/or inserts because of diabetes. Meeting Medicare Requirements.
