Support Worker

Hi my name is Ashleigh and i have been in the disability industry as a support worker/mentor since 2019. I enjoy watching all my clients learn and grown as well as continuously learning and growing along the way myself!

I absolutely love being able to provide clients with a fun and supportive environment.

In my spare time, i love spending time with my family and friends, going for walks, baking anything sweet, listening to music, going to the gym and traveling and exploring our beautiful state.
