

# Kelly

Support Worker

My name is Kelly, and I'm 45 years old. I'm a proud mum to two amazing kids—an 18-year-old son and a 15-year-old daughter who mean the world to me.

I love spending time outdoors, going for drives, camping, travelling, and exploring new cultures and cuisines. I'm also a lifelong animal lover—I've cared for everything from dogs and cats to birds, reptiles, rabbits, and even a pony when I was young!

I began my career in aged care at 19, starting in the kitchen before realising my passion for working directly with people. I went on to complete my Certificates III in Aged Care, Disability, and Lifestyle, Leisure & Health. These qualifications have allowed me to support individuals through personal care, activities, and community engagement.

Over the years, I've worked across various settings—including disability hubs and in-home support—and have met so many wonderful people along the way. I find one-on-one support work incredibly rewarding and fulfilling, knowing I can make a positive difference in someone's day.

I look forward to meeting you soon.
