

Rebecca

Support Worker

About Me

Hello, my name is Rebecca!

I'm passionate about my role as a Support Worker and truly enjoy making meaningful connections with the people I support. I'm committed to creating a positive and uplifting environment for those around me. Outside of work, I'm an animal lover—especially when it comes to my little pug, Henry! I enjoy spending quality time with friends and family, watching movies, and getting outdoors whenever I can. I also love learning new skills, listening to music, and having a good sing-along—it always lifts the spirit!
