About Me

Hi I'm Shan,

With over 15 years of experience in the disability sector, I am passionate about supporting people with diverse needs to live fulfilling, independent, and empowered lives. I have worked in a variety of roles across multiple organisations.

I believe in helping people achieve their goals while maintaining choice and control in their lives. I pride myself on building genuine connections and always doing the right thing, even when no one is watching, approaching my work with integrity, empathy, professionalism, and respect.

Outside of work, I enjoy spending time with my three children, exercising, baking, watching the footy, and exploring new places.
