

Chris

Support Worker

My name is Chris, i am a dedicated Disability Support worker. I hold a Certificate IV in Youth Work and a Certificate III in Individual Support for Disability, with two years of experience working within Families SA (Department for Child Protection). Over this period, I have developed strong communication and organizational skills, which enable me to establish meaningful connections with clients.

In my personal life, I have a love for animals, particularly my wild magpies, who visit me daily, and my black Labrador, Ryley.

Outside of work, I enjoy listening to music, watching movies, browsing shops, and engaging in hobbies such as Diamond Dots, all of which help me recharge and bring positive energy to both my professional and personal life.
