Support Worker

Hi, I'm Juliano!

I'm a friendly, easy-going and reliable person who enjoys getting to know people and making them feel comfortable. In my spare time, I'm really into cars, music and video games, and I also enjoy watching anime and reading manga.

I enjoy having a good conversation, having a laugh and connecting with people through shared interests. I'm respectful, patient and always happy to support others in a way that suits their personality, interests and needs.
