

Tayla

Support Worker

Hello my name is Tayla

I am 28 years old and I live in the southern suburbs of Adelaide with my fiancé and a dog, he is a black and tan Kelpie, his name is Peanut!

I grew up on a farm near Victor Harbor we had horses sheep cows chickens and dogs, my parents have since sold the farm but still remain in the farming community.

I describe myself as a fun friendly and bubbly person. I enjoy taking dogs for walks on the beach, keeping up with the latest reality TV, occasional true crime books, cafes and restaurants, games and quizzes, spending time with family and friends.

I have been supporting people in the community since 2015, I graduated TAFE after high-school and set off on my journey, I have since learnt a multitude of new skills, knowledge and techniques

I can't wait to endeavour on new experiences
