

Aisha

Support Worker

Hey there, I'm Aisha! With 4 years of experience as a passionate support worker, I'm all about making a positive impact and brightening people's days.

On a usual day you can find me soaking up the sun on a beach walk, training at the gym, diving into a good book, hanging out with my adorable pets, or ice skating with my amazing teammates! With my support, you can count on great conversations and plenty of laughter along the way! I am excited to meet you and support you every step of the way!
