About me

Hi I'm Putri. I am originally from Indonesia but have been living in Australia for 10 years and am proud to call it home.

I enjoy helping people and making a difference in their day-to-day life. I like building good connections and making others feel comfortable and supported.

In my free time I love being outdoors - fishing, hiking, or just relaxing with my dog. I am an animal lover and really love cats & dogs. When I'm home I love cooking, playing Playstation and building 3D puzzles.
