2018

*Note: New Food
bank hours*

Welcome to a new year! We pray everyone remained safe through the festivities, including the snow we were blessed with.

With the new year we usher in new opportunities to serve. Coming up this month we are working on a volunteer day which is scheduled for Sunday the 28th for Project Street Outreach which is an organization that supports homeless Veterans. We'll be preparing bags for distribution from their warehouse. Volunteers are asked to meet at the SCFCU Building on McMillan St at 2:30.

The website has been updated with lots of new features so please check it out. If you have announcements for the coming months please

contact Evangelist Dais.

Updates coming!
