Start at Rancho Simi Park, Head east on the Arroyo Bike path up to approx Angus Ave, turn around at that point. We will have a 16 foot turn around sign and aid station there. Head west to Madera, turn around and head east to Erringer, right on Erringer, right at the bike path towards the park, left into the park and back to the finish line. **Special note:** Please stay to the right side of the bike path at all times
