## LES MILLS BODYPUMP™

Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more.

## LES MILLS SPRINT

The 30 minutes you put into a LES MILLS SPRINT workout drives your body to burn calories for hours. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort. The payoff? You smash your fitness goals, fast.

## LES MILLS BARRE™

A modern version of classic balletic training; a 30-minute workout designed to shape and tone postural muscles, build core strength, and allow you to escape the everyday. Incorporating classic ballet positions, with modern music, LES MILLS BARRE is a combination of cardio and strength with high reps of small range-of-motion movements and very light weights.

## LES MILLS CORE™

Inspired by elite athletic training principles, LES MILLS CORE™ is a scientific core workout for incredible core tone and sports performance. You build strength, stability and endurance in the muscles that support your core, improve balance, assist injury prevention, and become better at everything you do.

## LES MILLS GRIT™

30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups. LES MILLS GRIT Strength takes cutting-edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

## LES MILLS BODYCOMBAT™

High-energy martial arts-inspired workout that is non-contact. Punch and kick your way to fitness and burn up to 570 calories in a class. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. Release stress, have a blast and feel like a champ. Bring your best fighter attitude and leave inhibitions at the door.

## Y-WALK

Designed to keep your body moving while creating stability and confidence in active older adults. This 30 min class uses motions to target the whole body and bring your heart rate up with movements such as lifting the arms, squatting, raising the knees, and more. An instructor to encourage you, but a class you can take at your own pace.

## SilverSneakers

Designed for active older adults. Focuses on strengthening muscles and increasing range of movement for daily life activities. Participants can use hand-held weights, elastic tubing with handles and a SilverSneakers ball. Often a chair is used for seated exercises or standing support

<b>Group Cycling</b>	Your instructor will bring the intensity in a 30 to 45 min class to improve cardiovascular endurance and calorie burn. Using Stages Flight a web-based data analysis with screen display, dynamic FTP testing, custom intensity rides, GPS rides, and competition modes.
