“Teajay”

Our Family Chain is Broken...

Each morning when we awake,
We know that you are gone.
And no one knows the heartache
As we try to carry on.

Our hearts still ache with sadness,
And many tears still flow.
What it meant to lose you,
No one will ever know.

Our thoughts are always with you,
Your place no one can fill.
In life we loved you dearly,
In death we love you still.

There will always be a heartache,
And often a silent tear,

But always a precious memory
Of the days when you were here.

If tears could make a staircase,
And heartaches make a lane,
We'd walk the path to heaven,
And bring you home again.

We hold you close within our hearts,
And there you will remain,
To walk with us throughout our lives
Until we meet again.

Our family chain is broken now,
And nothing will be the same,
But as God calls us one by one,
The chain will link again.

A Letter from Heaven . . .

When tomorrow starts without me, and I'm not here to see,
If the sun should rise and find your eyes filled with tears for me...
I wish so much you wouldn't cry, the way you did today,
While thinking of the many things, we didn't get to say.
I know how much you love me, as much as I love you,
And each time you think of me, I know you'll miss me, too.
When tomorrow starts without me, don't think we're far apart...
For every time you think of me, I'm right there in your heart.
