# A Legacy™

A Heritage: Character Qualities, Memoirs...

## Letitia "Titia" Marie Samuel

BF was a beautiful, caring, protective sister with a warm spirit who could easily light up the room, and become the main attraction with her bright smile and alluring personality. A "mommy" who always made sure to provide for her children no matter the cost, demonstrating how hard work and consistency could allow success. A joyful daughter who was always ready to shop and keep her mom "in the know" of the latest trend.

Titia was unapologetically her. She tried to portray that she was tough like bull, but really, she was soft like kitten. She was your friend, your confidant, your comforter, your bail-out, whatever you needed her to be, that's how she showed up. She was a dancer and a jokester who could be mean, feisty, AND sassy! Hunny, BestFriend was BestFriend. You either loved her or REALLY loved her. There was no in between. She had a big personality and her absence was immediately felt! BY Toya, aka "BestFriend"

**Hobbies** – Traveling, Dancing, Shopping, Decorating, Styling, Giving and Living Life

**Education** – Maynard Evans Class of 1997, Orlando Vo Tech, Georgia Tech & Piedmont

**Personal Quotes:** "Guuuurrrrrlllllll" "Stop living inside a box," "Cause I wanna," "Cause I can" and "YOLO" (You Only Live Once)

**Differences** – Called her mom "Deaconess" and let her kids call her by her first name

**Nickname** – Pochohontas (her mom gave her this term of endearment)

**Fun Facts** – She and her sisters were all 2 years apart, and BEST friends. Titia "made fights" and Toya finished them. Titia also delivered two of her nephews (Tasha's kids). **Fav Color** – Pink. **Last Song Sang** – "I Know It Was The Blood."

**Last Quote** – "I Shall Live and Not Die"

Titia was **preceded in death** by: LeRoy C. Samuel (Father), Catherine Owens (Paternal Aunt), Eula and Wesley Watkins (Paternal Great Grandparents), Willie and Minnie Brookins (Maternal Grandparents), Dorothy Brookins (Maternal Grandmother), and Julius Davis (Paternal Uncle).

*To my mommy, my best friend,  
my happy place, my savior....*

.....I just want to say that I love you – you were the highlight of my day everyday. You pushed me, motivated me to succeed in life, and for that I thank you.

I will miss those days when you would just want to go and hang out, going shopping or even trying a new restaurant. I will miss those days when you would come in my room just to talk, or just call me to say, you "love me." You had a beautiful soul and smile that would brighten up the room.

I miss you so much mommy, I know you're looking down on me, and I promise I'm gonna make you proud everyday, I love you so much!

Blessings My Beloved Family & Friends,

First and foremost, I would like to Thank you all for your love and support during lifes most difficult times. My Mama would have loved to know all of you came to celebrate the life of a queen. Due to my current situation im unable to there, so I send this in Dedication to The One and Only. There is an apology due for all the stress and pain Ive caused but I am glad we came to an understanding about things before your departure from this world... The Blood that Runs thru Tiara, Tiara, Taiden and I's Veins are of a Queen. A Bloodline never to be deroiated, never to be weakened only to be kept Alive and Strengthened by the Kings and Queens you left to live and on your legacy because its you that we live for and its us that you'll forever live thru. I look forward to Bestow the life lessons and Teachings that I was Given, not only by you but The Fam, and the Universe. because I know thats what you would expect of me. I truly wish that things would have went differently, like my h told me "God gives his Toughest Battles to his Strongest Soldiers" so your journey wasnt of vain, much love, alot of memories and so much life lessons Taught. So I Thank you for that. Rest up my Queen, because when we do meet up again we have alot of catching up to do. I love you with Every beat my Heart produces. You'll Forever live thru me.

-Your Son,  
TJ

*And God shall wipe away all tears from their eyes; and there will be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away.*

## Memories Live On

The ones we love remain with us  
For love itself lives on,  
And cherished memories do not fade,  
Because a loved one's gone!

The ones we love can never be  
More than a thought apart,  
And as long as there is memory,  
They'll live on in the heart.

## In Appreciation

We, the family of the late Letitia Marie Samuel, truly thank God for each and every one of you. Your outpouring of prayers, love, kindness, and support has sustained us throughout the passing of our loved one. From the bottom of our hearts, we thank you.

We take solace in 1 Corinthians 2:9.....

*“Eye has not seen, nor ear heard, nor have entered into the heart of man,  
The things which God has prepared for those who love Him.”*
