## Something Interesting About Me:

I was a daddy's girl, and my mom was my best friend! In 3rd grade, I attended Pine Hills Elementary where I was the 3rd highest reader in my class. I actually read on a 5th grade reading level! I competed on a state level in gymnastics.

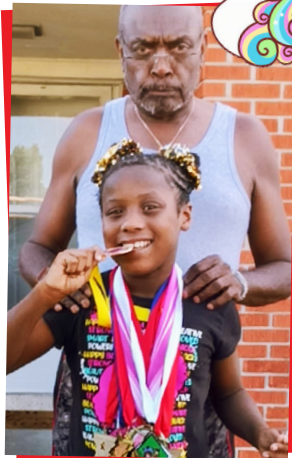

I was a sassy kind of fashionista, and a bit of a perfectionist. Everybody knew that I wouldn't stop 'til I got it right! And I LOVED helping others.

## My Favorites:

**My daddy and mommy!** The color **RED**.

Unicorns. Lady Bugs. Skating. Swimming. Painting. Fishing. Drawing. Making Jewelry for my friends. **Holiday** - Halloween (I loved creating my costume)  
**Gymnastics** - I trained and competed with Orlando Metro Gym.

**Family. Food. Friends.** I loved, loved, LOVED my cousins! I loved dressing up. And I loved....having fun!
