DEALERSHIP ENROLLMENT

Dealer Plan Enrollment and Participation Agreement

The Dealership identified above (“Dealer”) wishes to participate in the BUDCO FINANCIAL SERVICES INSTALLMENT PAYMENT PROGRAM (the “Plan”) offered by Budco Financial Services, LLC, a Delaware limited liability company (“BFS”), to certain vehicle dealers and customers purchasing vehicle service contracts (“VSCs”) from them. By signing this Dealer Plan Enrollment and Participation Agreement (“Agreement”) below, Dealer shall be immediately enrolled in the Plan. The parties to this Agreement (“Parties”) are BFS and Dealer.

1. General. During the term of Dealer’s participation in the Plan, Dealer is authorized to offer the Plan to customers in the United States purchasing VSCs from it. In participating in the Plan, Dealer will at all times comply with this Agreement and the Budco Financial Services Installment Payment Program Guidelines, as such Guidelines may be amended from time to time (the “Plan Guidelines”). The Plan Guidelines in effect as of the date of this Agreement are attached hereto as Attachment 1.

2. Application of Installment Contracts. For each customer who chooses to pay for the purchase of a VSC sold by Dealer utilizing the Plan (“Customer”), Dealer will (concurrent with the customer’s execution of the VSC):

- a. Fully and truthfully complete a retail installment contract (“Installment Contract”) with the customer’s information, and making sure that BFS is identified on the Installment Contract as the “Lienholder”;
- b. Execute the Installment Contract and cause the purchasing customer to execute the Installment Contract;
- c. Collect from the Customer the minimum down payment as required by the Plan Guidelines.

3. Assurances of Dealer. With respect to each Installment Contract, as of the execution thereof and continuing until it is fully paid, Dealer represents and warrants to BFS as follows:

- a. The Installment Contract has been completed in accordance with the terms and conditions of the Plan Guidelines;
- b. The VSC which the Installment Contract finances is a bona fide transaction by the Customer;
- c. There are no defenses, set offs, counterclaims, or disputes existing with respect to any Installment Contract;
- d. Dealer has not made any agreement with any Customer for any discount or deduction with respect to the Installment Contract;
- e. The Installment Contract has not been assigned by Dealer to any party.
- f. There are no claims, liens, or encumbrances (other than those of BFS) or security interests against any Installment Contracts or against Dealer that may cause any Installment Contracts to become subject to any levy, attachment, garnishment, or other judicial process;
- g. The Customer has not been offered different pricing based on the decision to participate in the Payment Plan Program and no incremental charges may be assessed under any circumstances because the Customer has elected to utilize the Plan instead of paying cash;
- h. The down payment stated in the Installment Agreement has been collected from the Customer.

4. Assignments. Upon the execution of a VSC and the related Installment Contract, Dealer will deliver to BFS a copy of the Installment Contract (electronic or fax). Upon execution, the Installment Contract will be

dealer.budcopayplan.com

automatically assigned by Dealer to BFS in consideration of BFS' payment to Dealer of the Assignment Price therefor, and title to such accounts shall immediately vest in BFS, without further action by Dealer or BFS, effective upon such activation; BFS will be responsible for providing any notices to customers required by applicable law with respect to such assignment.

5. Payment to Dealer of Assignment Price.

- a. Upon the effective date of the assignment of an Installment Contract to BFS hereunder, receipt of a copy of the VSC, receipt of a copy of the Installment Contract, confirmation by BFS that the VSC matches the Installment Contract, and provided customer has made one installment payment pursuant to the Installment Contract, the Installment Contract will be activated and BFS will be obligated to pay to Dealer the "Assignment Price" for the Installment Contract as provided in the Plan Guidelines; The Assignment Price shall be equal to the price of the VSC charged to the Customer, plus any applicable sales tax; less the sum of: (i) the down payment plus; (ii) BFS's Administrative Fee as provided in the Plan Guidelines.
- b. After activating each Installment Contract and related VSC, BFS shall advance the Assignment Price to Dealer in accordance with BFS's payment process. The timing of advances to Dealer may be changed by BFS upon written notice. BFS reserves the right to delay or hold Dealer payment(s) if BFS determines, in its sole discretion, that Dealer will not perform its obligations hereunder.

6. Cancellations.

- a. If BFS or a Customer cancels an Installment Contract, Dealer shall pay to BFS a Cancellation Payment equal to the following: (i) the Assignment Price of the Installment Contract, less (ii) the sum of all payments received by BFS from the Customer. If BFS has reasonable cause to believe that payment of the Cancellation Payment may not be timely made, it may withhold any amounts due Dealer until BFS receives the Cancellation Payment.
- b. Payments under Section 6(a) will be handled on a net settlement basis with BFS, to the extent that there are sufficient payables due to Dealer from BFS to be netted against. If, however, there are insufficient payables due to Dealer from BFS to be netted against, Dealer shall pay the net amount of payments due and remit the same to BFS. Such payment will be made by electronic funds transfer in immediately-available funds within the weekly payment process.
- c. Should any amounts payable by Dealer remain unpaid for 30 days after they become due, then: (i) such unpaid amounts shall accrue interest daily at the rate of 1% per month or the highest rate permitted by applicable law, whichever is less; and (ii) BFS may retain its Administrative Fee(s) as to the accounts involved. Dealer shall be responsible for any refunds due to the Customer and BFS shall have no responsibility or liability to the Customer or Dealer for such refunds.

7. Warranties & Representations of Dealer. Dealer agrees to, and represents and warrants each of the following to BFS:

- a. That the Retail Sale Price (the aggregate of the price at which Dealer sold the VSC to the customer and the amount of applicable state sales tax incurred on the sale [if any]) of each VSC offered for sale to customers by Dealer utilizing the Plan will not vary depending upon whether the customer chooses to finance the purchase of the VSC utilizing the Plan instead of paying cash, no incremental charges may be assessed under any circumstances because the customer elects to utilizing the Plan

dealer.budcopayplan.com

instead of paying cash, and no discount may be offered to the customer to entice the customer to pay cash as opposed to purchasing such VSC utilizing the Plan.

b. With respect to each Installment Contract assigned to BFS hereunder, that: (i) effective date of assignment of the Installment Contract, that the Installment Contract is free and clear of all mortgages, liens, charges, pledges, and encumbrances, and (ii) the Installment Contract has not been sold, assigned, or transferred (except with respect to the assignment made to BFS pursuant to this Agreement); and, (iii) effective during the time period beginning upon the date of such assignment and ending upon the date upon which the Installment Contract is fully paid, such warranties and representations of Dealer will remain true and correct.

8. Indemnification. Dealer hereby agrees to defend, indemnify and hold BFS and its directors, employees, members, and agents harmless from and against any and all claims, actions, losses, damages, costs, liabilities, and other charges, whether or not contingent, matured or known, and all expenses incurred (including but not limited to, actual reasonable legal fees) by such indemnified party in connection with or arising out of any of the following:

- a. Dealer's breach of any of the terms of this Agreement;
- b. Dealer's breach, or alleged breach, of any of the terms of, or obligations, act or omission arising out of, any VSC,
- c. Any claim, legal or equitable action or proceeding by any third party arising out of or relating to the subject matter of this Agreement or
- d. Any cancellation of any VSC by any of the following: Dealer, a Customer, any party to a VSC (including any insurer or underwriter) or BFS.

9. Term; Termination; Events of Default; Other Remedies.

a. Term. The term of this Agreement and Dealer's participation in the Plan will commence on the date it is executed by Dealer and continue until terminated in one of the following ways: (i) Either Dealer or BFS may terminate this Agreement and Dealer's participation in the Plan at will, and without cause, upon at least thirty (30) days prior notice to the other Party; or (ii) Dealer or BFS may terminate this Agreement and Dealer's participation in the Plan immediately upon written notice to the other Party in the event of the occurrence of an event of default by the other Party. With respect to a transaction or event occurring prior to the termination of this Agreement and/or Dealer's participation in the Plan, such termination will not affect or impair the rights or obligations of a Party under this Agreement, the Plan, or an Installment Contract relating to such transaction or event.

b. Events of Default. The occurrence of any of the following events will constitute an event of default of the Party with respect to which such event occurs or relates: (i) a breach by a Party of any of its material obligations under the Plan and such Party's failure to fully cure such breach within ten days after notice from the other Party of such breach; (ii) any material representation or warranty made or furnished by a Party to the other Party under the Plan becomes materially false or untrue; (iii) a Party becomes insolvent, files a voluntary petition in bankruptcy, an involuntary petition in bankruptcy is filed against such Party, a receiver or trustee is appointed for such Party, or such Party executes an assignment for the benefit of creditors; or, (iv) Dealer assigns or delegates any of its rights or obligations hereunder without the consent of BFS.

No Party may assign any of its rights, or delegate any of its duties, under this Agreement or an Installment Contract without the prior written consent of the other Party; provided, however, that BFS may assign its rights under this Agreement and an Installment Contract to a third party bank providing funding to BFS.
