## SOFT SERVE, FROZEN YOGURT MACHINE, ICE CREAM MACHINE **RENTAL PROGRAM**

### An entire Service System is provided:

1. Delivery of machines.
2. Installation of machines.
3. Training of all personnel on the proper procedures for using the machines.
4. A back up supply of o-rings and rubber parts, and replacement of all o-rings and rubber parts as needed.
5. All service on the machines due to mechanical equipment malfunction.
6. Daily problem solving on the phone or emergency visits.

### Customer Responsibilities:

1. Sign and abide by the 18 month contract with Lambtek Yogurt Machines for the placement.
2. Keep the machine clean and properly maintained as per Lambtek Yogurt Machines instructions.
3. Have available at the time of installation the required electrical hook-up, as specified.
4. Provide insurance on the machine as specified in paragraph three of the contract.
5. Pay for machine shipping from your location back to Lambtek at the end of the contract.

### Rental Program:

The account will be responsible for direct monthly payments to Lambtek Yogurt Machines. Full service, as stated above, is provided. All of our machines are high quality refurbished machines.
