## Rent A Soft Serve Machine

Do you want to sell soft serve but,

- you have no room in your capital budget?
- you are not sure if it is right for you?

**Renting a Machine is the way to go!**

**Make money with as little as 10 servings per day!!**

**High Profits with Minimal Investment**

1. Low Break-Even point - 10-13 servings per day
2. High Profit Margin per ounce
3. Low machine cost \$340 per month
4. Short Term Commitment, 12 Months not 3-5 years
5. Expense the entire rental payment to lower taxes
6. Expand your business without tying up valuable credit lines and cash
7. Serve a variety of products. You choose what soft serve products you sell , and buy from your local supplier.

**An Entire Machine Service system is provided**

1. Installation and training
2. Machine malfunction service calls
3. Replacement of all o-rings and rubber parts
