

## PERFECT GIFT: A “Tank House” WINE BOTTLE OF A CLASSIC BIG, BOLD CALIFORNIA RED BLEND FROM LODI (Borden Ranch AVA), CALIFORNIA

A Lodi Cabernet, Syrah, and Zinfandel RED blend, from Tank House Winery, is a powerful and flavorful red wine that offers a delightful combination of fruit, spice, and structure. It exudes pronounced flavors of black cherries and berries layered with toasted oak, vanilla, and rich notes of dark chocolate and coffee. Combined, the three grapes (Cabernet, Syrah, and Zinfandel) make a big, bold wine with deep color, high alcohol, and serious tannin.

Key characteristics of this Tank House Lodi Cabernet, Syrah, and Zinfandel blend:

- **Bold and Full-Bodied:** significant weight and structure on the palate, thanks to the tannins from Cabernet Sauvignon and the richness of Zinfandel

- Spice and Pepper: Syrah adds peppery notes, while Zinfandel can contribute Spicy and Earthy undertones

Al Caviglia and Joe Caviglia, co-founders of the Tank House Winery, chose the name “Tank House” as a tribute to their family’s long history in the farming business. The Caviglia family began farming in Santa Clara, California in 1906, and continue to farm to this day. In the year 2007, Al and Joe’s passion for vineyards and winemaking took a foot hold and Tank House Winery was born. The first vintage produced was in 2008 which started with the classic red varietals of Zinfandel, Syrah, and Cabernet Sauvignon.
