CAPABILITY STATEMENT

At **Top Star Construction**, we stand as more than builders; we are a cohesive team, bound by values that define our purpose and drive our success. Our **commitment to excellence** is not just a promise; it's the foundation upon which we construct the infrastructure of the future and a legacy of integrity and quality.

TOP STAR CONSTRUCTION

Where Vision Meets **Integrity, Excellence, and Community.**

PAST PERFORMANCES

Top Star Construction has a management team with a combined experience of 33 years in the construction field.

Our team has grown from working together at the **I4 Ultimate Project - E8T35 Turnpike** (Minneola Interchange to Obrian Road), which included the construction of:

- 400,000 SF of Permanent MSE Wall
- 50,000+ SF of Temporary MSE Wall
- Standard Coping, and Barrier Wall w/ Junction Slab
- Expedited Schedule
