## OUTBACK<sup>®</sup> TUB

*Find Your Flow – Heat, Chill, or Simply Be.*

Immerse yourself in nature's embrace with the OUTBACK TUB - crafted to awaken your senses and restore your body. Whether you're melting into the soothing warmth of a fire-kissed soak, surrendering to the invigorating chill of fresh water, or simply bathing beneath the open sky, these baths invite you to reconnect with the elements in their purest form.

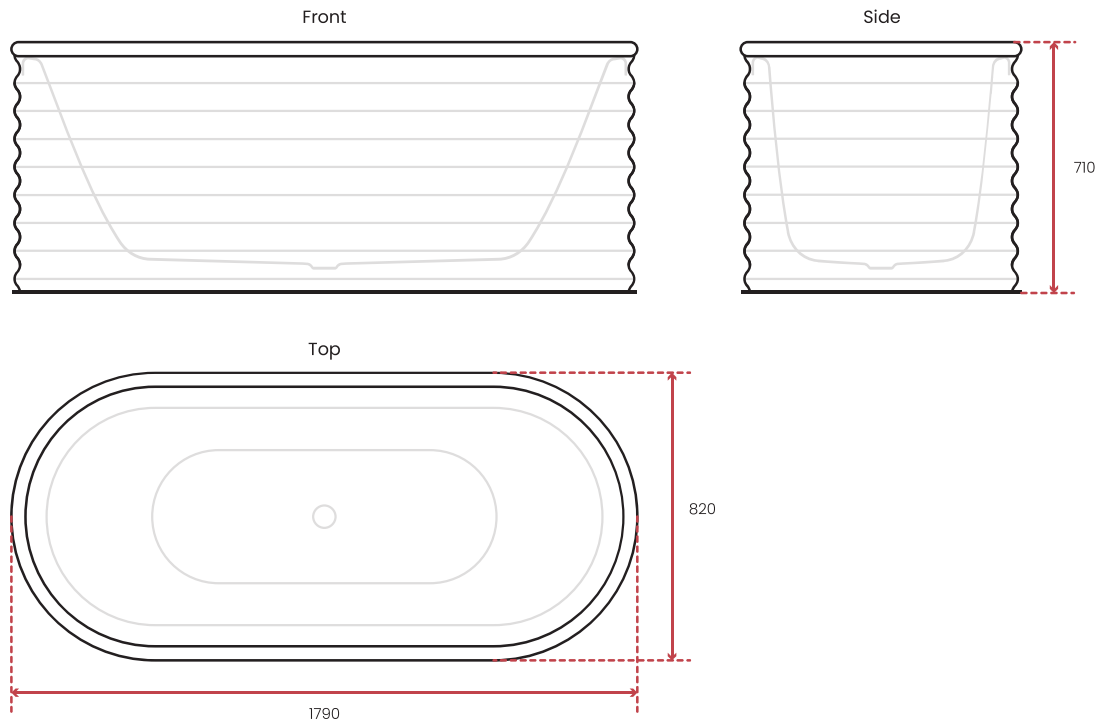

Handcrafted in Australia from premium corrugated **316 Stainless** or **COLORBOND® Steel**, each tub is designed to withstand the wild beauty of every season. Choose your experience: a timeless outdoor bath for serene immersion, a cool-water retreat for rejuvenation, or a wood-fired **EMBER** sanctuary for deep, earthy warmth. However you bathe, let nature lead the way.
