COVID-19 COMPLIANCE

The novel coronavirus, COVID-19, is a highly infectious, life-threatening disease declared by the World Health Organization to be a global pandemic. COVID-19's highly contagious nature means that contact with others or contact with surfaces that have been exposed to the virus, can lead to infection. Because of this highly contagious nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how a specific individual may have been exposed to the disease.

By signing this Camp Waiver, the Parent or Participant acknowledges and agrees that the Participant is voluntarily enrolling in the camp. The Parent or Participant understands that ONE on ONE Soccer/Goalkeeping, Elizabethtown College have put in place new safety rules and precautions to mitigate the spread of COVID-19, which rules and precautions may be updated at any time. While acknowledging that these rules and precautions may or may not be effective in mitigating the spread of COVID-19, the Parent or Participant agrees that the Participant must reasonably comply with such rules and precautions which may include, but are not limited to, mask wearing, hand washing, hand sanitizing, and social distancing. The Parent or Participant understands that if the Participant fails to comply with these rules and precautions, the Participant (a) may be asked not to attend the camp until they can comply or (b) may be prohibited from participating in the camp, and, in either case, ONE on ONE Soccer/Goalkeeping, Elizabethtown College will not be obligated to return any fees.

The Parent or Participant agrees that if the Participant is exhibiting symptoms of acute respiratory illness, a fever of 100.4°F, has had known exposure to someone with COVID-19, or has a diagnosis of COVID-19, the Participant will not participate in the camp until they have written, medical clearance.

Assumption of Risk: COVID-19

By signing this agreement, the Parent or Participant acknowledges the contagious nature of COVID-19 and the inherent risks of exposure to those who may be infected with COVID-19. The Parent or Participant voluntarily assumes the risk of exposure to or infection by COVID-19 by participating in the camp and that such exposure or infection may result in personal injury, illness, permanent disability, and/or death. The Parent or Participant understands and acknowledges that given the unknown nature of COVID-19, it is not possible to fully list each and every individual risk of contracting COVID-19. The Parent or Participant understands that the risk of becoming exposed to or infected by COVID-19 while participating in the camp may result from the actions, omissions, or negligence of themselves, the Participant and others, including, but not limited to, the Released Parties, and fellow participants. The Parent or Participant acknowledges that the camp is held in an open facility, which limits the ability of the Released Parties to control access and visitors. The Parent or Participant recognizes that the Released Parties cannot limit or eliminate all potential vectors for COVID-19 infection. The Parent or Participant acknowledges that they have asked for and/or been given any information that they may need to determine the risks associated the Participant participating in the camp and to make an informed assumption of those risks.

By signing this agreement, The Parent or Participant also acknowledges that limited Personal Protective Equipment ("PPE"), including face masks, may be made available by the ONE on ONE Soccer/Goalkeeping for use at the facilities or even during the camp. The Parent or Participant understands that the use of PPE does not remove all risks of illness, nor does it make it safe to participate in the camp. The Parent or Participant alone has to determine the sufficiency of any PPE or other precautions that the Parent or Participant decides to take on behalf of themselves or the Participant to minimize the risks of participating in the camp. The Parent or Participant expressly acknowledges that their choice of PPE for themselves or the Participant is at their discretion and that neither the Released Parties nor other participants have any liability for their choice of PPE. The Parent or Participant voluntarily assumes full responsibility for any and all risks of illness or injury associated with the Participant's exposure to COVID-19, as well as from use of any PPE, including face masks, that ONE on ONE Soccer/Goalkeeping may voluntarily provide.
