

# Mr. D - Living Space

Nautia Hutchinson

# Design Program

Mr. D

## *About the Client*

Mr. D is a young urban professional. His style is very contemporary, and he enjoys living in the city. He will entertain groups of up to 10, but not usually sit down dinners. He is also an art collector and dealer.

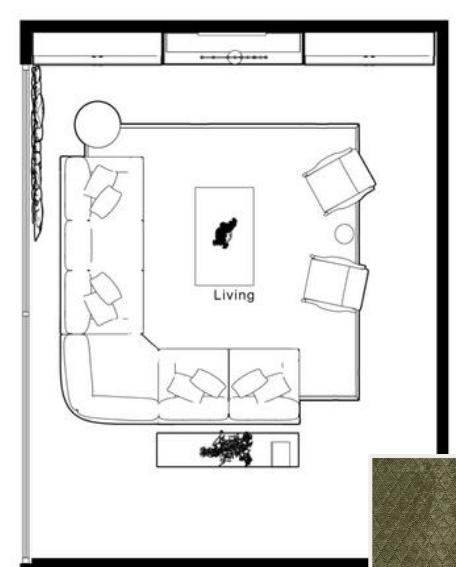

## *Requirements*

- Upholstery selection should be luxurious, yet contemporary.
- Windows look out over the city.
- Cutting edge innovative materials.

# MOOD BOARD

# Mr. D's Luxurious + Contemporary Living Space - Final Selections
