A TERM TO BE PROUD OF

As we come to the end of our first academic year, we are incredibly proud of everything that has been achieved at 4Life Education since opening our doors to our very first pupils in October.

Over the past nine months, we have seen remarkable growth—not only as a provision, but more importantly in the young people we support every day. Watching our students develop in confidence, resilience and independence has been a privilege. We cannot wait to share exciting developments in the new academic year!

OFFSITE LEARNING

Students have enjoyed fishing trips, Alton Towers, athletics, swimming, pizza-making, visits to aquatic and reptile centres, and trips to Matlock Bath. Every experience has helped develop confidence, teamwork and independence— and increase their personal development levels!
