

CSI CLASSIC PRO SERIES

DESIGN OPTIONS

CONTEMPORARY PROFILES

Nullabor - Textured Finish

Discover Nullabor - a contemporary, wide panel design with maximum street appeal.

Seville - Textured Finish

A sleek modern look that will suit many styles of homes.

CLASSIC PROFILES

Grange - Textured Finish

Timeless geometric patterns that bring the best out of your home.

Statesman - Textured Finish

Timeless & classic in design, Statesman is suitable for both modern & federation style homes.

Our CSI Classic Pro Series Garage Door is powered by a purpose built CSI Motor which delivers affordable and secure garage door control with smooth and reliable operation.

The motor features:

- Soft start and stop to reduce door stress
- Automatic courtesy light
- Includes: 2 remote controls and 1 wall button

Please note: Garage Door Opener model subject to change, please enquire with your reseller.
