Important Notes and Comments:

- The Summer Solstice Tour is planned with the anticipation that some COVID-19 restrictions will be lifted by June 2021. Each individual must take every precaution to prevent the spread of COVID-19 and protect their health. It would be expected that participants bring masks and other precautionary supplies as needed. It is expected that participants respect physical distancing outside their family / travelling party unit.
- There are no registration fees collected for this tour as changes may need to be made depending on COVID-19 restrictions. Any event admission fees are low cost and should not exceed \$20.00 per person for the duration of the tour (youth are sponsored by the club).
- Meals are not included and the expectation is options will be available at tour stops.
- Please be prepared to be flexible if some events are moved or cancelled.
- Detailed itinerary to be provided upon arrival at tour.
- The tour avoids gravel roads but road conditions may change prior to June. There are some short hills along the way. There is 5 kms of busier two-lane highway which will need to be traveled.
- The Stratford, Elora, St Jacobs area have many sights along the route and most roads have limited traffic.
- If you need special arrangements please contact the tour organizers.
