## VEHICLE ACCEPTANCE CRITERIA

The CFOC is not a hot rod, custom car, or modified muscle car show. Restored, partially restored and unrestored vehicles are all eligible to apply. We will use the following criteria to review vehicles for acceptance into the show: Participant Information Guide

1. The vehicle must have been produced during 1932 or earlier and appear as it did when it was in daily use.
2. Vehicle types accepted: Car, Commercial and Race Car/Speedster, Motorcycles and Scooters
3. Period accessories, either dealer-installed or after-market, are acceptable. Examples of such accessories include windshield visors, Motometers, “Rocky Mountain” brakes, Ruxtell 2-speed rear axles, running board-mounted luggage carriers, and radiator stone guards.
4. Items that improve vehicle safety, or that are required to meet current vehicle standards, such as electric taillights and signals, are acceptable, even if they were not available when the car was new.
5. Mechanical modifications that were not available when the car was new, such as lowering disc brakes are not acceptable.
6. Engines must have been available for the vehicle from the factory during the model year of the vehicle. Chassis and engine numbers do NOT need to match.
7. Ideally, engines and the under-hood area should look stock. (We have no way to monitor internal modifications).
8. Cosmetic modifications such as removing chrome and other trim are not acceptable.
9. Paint colors must be appropriate to the era.
10. Due to space limitations, approval may be limited. In fairness to all potential participants these requirements and criteria apply to all applications. Applications not meeting the criteria above will be denied.

Personal information on this form is collected under the authority of Section 11 of the Municipal Act, 2001, as amended, and will be used for Event registration, payment and mailings. Questions about this collection should be directed to the Simcoe County Museum.
