Running An Auction Has Never Been Easier!

Once a carbon project and tranche block is loaded, one just enters the floor price and auction duration to get started. Suppliers can also set bid increments and a buy now price.

<div><h3>Auction Setup</h3><p>✓ Your Carbon Project 100,000 tCO₂e</p><p>Unit Price per tCO₂e (USD) *</p><input type="text" value="\$ 0.00"/><p>Increment Bids by (USD) *</p><input type="text" value="\$ 0.00"/><p>Buy it Now (USD)</p><input type="text" value="\$ 0.00"/> <input type="checkbox"/> Entertain All Offers<p>Auction End Date / Time *</p><input type="text" value="12/31/2024 23:59:59"/> <small>(mm/dd/yyyy HH:mm:ss)</small><p>Total Sales Target (USD) \$ 0.00</p><p>How auctions work</p><p>Sell Carbon Credits</p></div>	<ul style="list-style-type: none">• Exchange is open 24/7/365.• One marketplace exchange for both compliance offsets and voluntary offsets.• Our carbon marketplace automates communication, pricing, and transactions.• Reach a larger number of buyers and have those buyers come to you.• At-a-glance view utilizes sorting and filters to hone in on buyer preferences.• Get instant notifications from interested buyers.• Buyers can auto-bid up to their desired ceiling price.• Ensures that carbon buyers who are most motivated and interested in an offset tranche, wins the auction.• KYC/AML means built-in trust and verifying the identity of all parties involved in a transaction.• Modify and electronically sign Non-Disclosure Agreements and Emission Reduction Purchase Agreements (ERPAs) online.• Our system disrupts the archaic system of using phone and fax machines for selling carbon assets.

Carbon Marketplace Automation!

We automatically conduct marketing campaigns with 8000+ carbon buyers. Twice per week, email notifications are sent out to our purchasing network that link back to your auction.

<https://app.carboneraexchange.com/>

Custom campaigns can also be implemented by emailing: contact@carboneraexchange.com

Carbon buyers get a simple user interface to bid on your carbon credit tranches. You get notified each time there is a new high bid.

Place Your Bid

✓ Cool Carbon Project
100,000 tCO₂e

Bid 30.00

Bid \$ 30.50

Bid \$ 31.00

or

Your max bid (USD): \$ 0.00 / tCO₂e

Set Your Bid / Max

Total max bid (USD): \$ 0.00

By setting your **max bid**, you authorize Carbonera eXchange to bid up your **max bid** and, if you win, change your bid amount. You also agree to Carbonera eXchange's [User Agreement](#) and [Privacy Notice](#).

Floor Price
\$ 29.50 / tCO₂e

Total Current Bid (USD)

Why Carbonera eXchange Stands Out!

Streamlined Documentation: Our automated ERPA (Emissions Reduction Purchase Agreement) contract process makes transactions quick and hassle-free.

Instant Access to Buyers: Connect with hundreds to thousands of potential buyers (8000+ in our network) with just one click, expanding your market reach effortlessly.

With Carbonera eXchange's white-label solution, you can:

- Customize the platform to align with your brand, ensuring a seamless experience for your clients.
- Significantly reduce development expenses, allowing for strategic resource allocation.
- Expedite your product launch with a swift time-to-market strategy, gaining a competitive advantage.
- Seamlessly integrate our software while reinforcing your brand identity and trust.
- Access advanced features that empower you to focus on your core strengths.
- By partnering with Carbonera eXchange, you'll position yourself at the forefront of the rapidly growing carbon market while staying technologically competitive in your industry.
- Our technology offers the ability to white-label our solution, allowing you to maintain your brand identity while leveraging our powerful platform. \$10k/Month (plus standard transaction fee) gets: Hosting, Branding, Software Upgrades based on Roadmap, and Support.

Additional Environmental Assets coming to the Carbonera Exchange in 1Q 2025:

ERCs - Emission Reduction Credits

RECs - Renewable Energy Certificates (including SRECs)

Get the best price for your environmental assets: benefit from a transparent auction process that ensures you receive top dollar for your carbon credit products.
