

Nomination Information

The Yorkton Sports Hall of Fame (YSHF) is a volunteer-driven non-profit organization founded in 1994. It is one of several provincial satellite halls of fame affiliated with the Saskatchewan Sports Hall of Fame.

One of the main mandates of the YSHF is to recognize those who have made outstanding contributions to our sporting community or achieved excellence in one or more sports by inducting them into the YSHF. As well, the organization makes every effort to help promote and preserve the rich culture and history of sport within Yorkton and surrounding area.

It is not the responsibility of the YSHF to nominate candidates for induction. Nominations must come from members of the community who are fully familiar with the nominee and are able to complete the nomination form and provide all relevant information.

If you wish to nominate an individual or a team for induction, please read the following information carefully.

Nomination forms

Nomination forms are available:

- On the YSHF website at www.yshf.ca
- At Yorkton Recreation and Community Services at the Yorkton Gallagher Centre
- By contacting a YSHF board member

Applications must be received on or before May 15, 2025 for the next induction ceremony scheduled for September 6, 2025. When completed, the nomination form(s) may be dropped off at Yorkton Recreation and Community Services office at the Gallagher Centre, may be emailed to nominations@yorktonsportshalloffame.ca or may be given/sent to any member of the Board of Directors.

Forms must be completed accurately and in detail and are the sole responsibility of the nominator. Records of achievements, media coverage, photos and any other information that might be useful in supporting the nomination should be submitted with the application.

Once nomination forms have been received, they will be reviewed by the YSHF Nomination Committee and scored for eligibility. Incomplete submissions will either be rejected or returned to the nominator for more information.

Nominators will be notified whether the nominees have qualified for induction into the Hall. If the nominee is accepted to be inducted, the nominators and/or nominees will be advised of their responsibilities leading up to the induction, including the requirement to provide photos and memorabilia.

Details regarding the induction event and ticket sales will be provided to the nominees when available.

Nomination categories:

- Athlete
- Builder
- Athlete/Builder
- Team

Criteria for induction

- Teams should generally not be nominated until at least three years after their last high-level championship.
- High school teams are eligible for induction providing they meet the criteria set out below.
- Nominees must come from within the city of Yorkton or within the immediate area or have previously resided within the area. Team members who do not meet these residence qualifications may still qualify if they were a member of a Yorkton team that qualifies for Induction.
- Nominees must be involved with one or more sports which are generally recognized as being competitive in nature.
- Their sport must be recognized by an official sport governing body within Saskatchewan or Canada.
- Both amateur and professional sports qualify.
- Although age is not a factor in itself, an inductee's longevity within his/her sport is important. In the Builder and Athlete categories, outstanding performances or recognitions over a sustained period of time may be given more favorable consideration for induction over high profile one-time achievements.
- Athletes with physical or mental disabilities are governed by the same criteria as all others. Quality of performance and significance of achievements may be determined by comparison with athletes in similar circumstances or competitions.
- Nominees must not have any known backgrounds or conduct that would bring discredit to the YSHF.

Scoring guidelines for athletes

To be considered for induction the nominee must score points from within the categories listed below. However, they need not score points within every category.

- 1) Local Level: Scoring is based on individual achievements, awards, and participation in championships within and around the local community. Examples might involve league, zone or regional competitions.
- 2) Provincial Level: Scoring is based on individual achievements, awards and participation at a provincial level or competition, especially those governed or sanctioned by a provincial sport governing body.
- 3) Western/Divisional Level: Scoring is based on individual achievements, awards or participation at a Western Canadian or Western Interprovincial competition or championship such as league, club, university, college, Team Saskatchewan competitions.
- 4) National Level: Scoring is based on individual achievements, awards, or participation at a national competition or championship. ie Sport governing body sponsored championships, university, Canada Games, amateur or professional league competitions.
- 5) International Level: Same criteria as for the National Level except on an international scale. Examples: Olympics, world championships, competitions involving more countries than Canada. Involvement may be at either at an amateur or professional level.
- 6) Versatility: Scoring is based on involvement with a variety of sports or involvement in more than one aspect of their primary sport. Examples: competitive athlete as well as coach, trainer, manager, clinician, official, administrator.
- 7) Longevity: Scoring is based on length of time nominee has been or had been active in their primary sport or other sports.
- 8) Impact: Scoring is based on impact the nominee has had on the promotion and development of their primary sport either at the local community level, or the provincial or national level.
- 9) Recognitions: Scoring is based on recognitions and awards, bestowed upon the nominee from a provincial, national or international sport governing body or Sport Hall of Fame as well as any special recognitions that are community based, such as honorary or lifetime memberships, sports person of the year etc.

Scoring guidelines for builders:

Nominees are scored using the same categories as those used for athletes.

However, rather than based mainly on achievements, scoring is based on their involvement, accomplishments and recognitions in such roles as a coach, manager, official, administrator, clinician and promoter of their primary sport or multiple sports in which they may be involved. Leadership roles and positions held within various sport governing organizations will also be awarded points.

Scoring guidelines for teams:

To be considered for Induction the nominated team must score sufficient points from within the following categories:

- 1) Local level: Scoring is based on team achievements and participation in championships within and around the local community. Examples include league, zone or regional competitions.
- 2) Provincial Level: Scoring based on the team participation and achievements at a provincial championship or competition, especially one based on the team governed by or sanctioned by a provincial sport governing body.
- 3) Western/Divisional Level: Scoring based on the team participation and achievement at a western Canadian or western interprovincial competition such as league, club, university, college, Sask. Sport competitions.
- 4) National Level: Scoring based on team participation and achievements at the national level or national championship such as national sport governing body competitions, university or college, Canada Games, amateur or professional league competitions.
- 5) Impact: Scoring based on the impact the team has had on the promotion and development of their sport at the community, provincial or national level.
- 6) Recognitions: Scoring based on special recognitions, or awards received from the local community, or a provincial or national sport governing body.

Criteria for high school team induction

Most local Sports Halls of Fame do not induct high school teams. The Yorkton Sports Hall of Fame will consider high school teams to be eligible for induction providing they play in a team sport (not a “team” of individual athletes competing individually or in pairs) and meet the following criteria.

- The wait time between the time of a team’s accomplishment and the time the team is nominated for induction is five years.
- The team nominated must have qualified to participate in a provincial championship as determined by the Saskatchewan High School Athletic Association.
- The team must have won a provincial championship.
- The team must score a minimum of 75 points within the four categories listed below under Categories and scoring guidelines.
- Preference will be given to teams participating in a sport where athletes do not otherwise have an opportunity to participate in that sport in Yorkton.
- Preference may also be given to teams which have been part of a long-standing and successful sport-specific program within the high school, rather than a one-time successful season.

Scoring guidelines for high school teams

- 1) Local/district/regional accomplishment: Scoring is based on team achievements and participation within a league, as well as within conference championships. *Points available: 30.*
- 2) Provincial accomplishment: Scoring is based on winning of a provincial championship. *Points available: 30.*
- 3) Local impact: Scoring is based on the impact the team has had on the promotion and development of their sport at the school or community level. *Points available: 20.*
- 4) Awards and recognitions: Scoring is based on special recognitions or awards received from the school, community, East Central Athletic Association or the Saskatchewan High School Athletic Association. *Points available: 20.*

Total points available: 100

Points required for consideration: 75

Nomination Form

Applications must be received on or before May 15, 2025 for the next induction ceremony scheduled for September 6, 2025. When completed, the nomination form(s) may be dropped off at Yorkton Recreation and Community Services office at the Gallagher Centre, may be emailed to nominations@yorktonsportshalloffame.ca or may be given/sent to any member of the Board of Directors.
